

DECLARATION AND POWER OF ATTORNEY
FOR PATENT APPLICATION

As the below-named inventor(s), I hereby declare
that:

My residence, post office address and citizenship
are as stated below next to my name.

I believe I am the original, first and joint
inventor of the subject matter which is claimed and for which
a patent is sought on the invention, design or discovery
entitled METHOD AND MESSAGE THEREFOR OF MONITORING THE SPARE
CAPACITY OF A DRA NETWORK, the specification of which

_____ is attached hereto.

 X was filed on September 11, 1998, as
Application Serial No. 09/152,008.

I hereby state that I have reviewed and understand
the contents of the above-identified specification, including
the claims, as amended by any amendment(s) referred to above;
that I do not know and do not believe that said invention,
design or discovery was ever known or used in the United
States of America before my invention or discovery thereof, or
patented or described in any printed publication in any
country before my invention or discovery thereof, or more than
one year prior to this application, or in public use or on
sale in the United States of America more than one year prior
to this application; that said invention, design or discovery
has not been patented or made the subject of an inventor's
certificate issued prior to the date of this application in

any country foreign to the United States of America on an application filed by me or my legal representatives or assigns; and that I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me which is material to the patentability as defined in 37 C.F.R. § 1.56.

I hereby claim the benefit under 35 U.S.C. § 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application(s) in the manner provided by the first paragraph of 35 U.S.C. § 112, I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56 which became available between the filing date of the prior application(s) and the national or PCT international filing date of this application:
